Cyber 24 DAY

12 October 2022, Warszawa, Hotel Sofitel Warsaw Victoria

The Cyber24 Day conference, organized by the Defence24 group, is one of the most important forums on the map of events focusing on cybersecurity, digitization and new technologies. The third edition of the conference took place on October 12, 2022, during which the highest-ranking representatives of the administration - both civilian and military decision-makers - responsible for cyber security and digitalization in the country and international structures met.

Day in Warsaw was also attended by members of the Institute for National and International Security **Prof. Marco Lombardi**, **Prof. Aleksandra Gaszold** and **Prof. Jowanka Jakubek-Lalik**.
