Socially, Dr. Badrawi chairs the Badrawi Foundation for Education and Development working for social and educational development, Takatof NGO building schools and developing human resources. His NGOs deliver a new reformed school to the government every seven months in the last 10 years.

He leads also a Education first foundation ,concentrating on human development of schools directors and teachers training . He shared in founding some other leading NGO's in Egypt including, The Dreamers of Tomorrow, Egypt's International Economic Forum, <http://www.eieforum.org/en/> American Chamber of Commerce, <http://www.amcham.org.eg/> Egyptian National Competitiveness council, <http://www.encc.org.eg/>. Lead Foundation. <http://www.lead.org.eg/> .

Prof. Badrawi is an active participant and ambassador of the Magna Charta Universitatum. He is well known advocate for women rights, Democracy and freedom.

Politically, Prof Badrawi played an important central political role during the January revolution in Egypt. He was called for by the ex president of Egypt to chair the ruling party of Egypt NDP, on the 4th of February ,to save the situation, as he was always positively perceived by the political opposition and the society. He was known to be the opposition from inside and a true reformist. He announced his support to the revolution and resigned from the post 6 days after , when the ex president and his staff refused to listen to his political advice , to step down from presidency, and call for early presidential elections within the constitution framework . His support for freedom , implementation of he rule of law, and the value of the civil society is clear throughout his life.
